

INFRARED AND RAMAN DISCUSSION GROUP

Form for application for membership or renewal of membership

The Infrared and Raman Discussion Group (IRDG) was formed in 1950 and is one of the oldest specialist subject groups in the UK. The IRDG normally holds three meetings a year at various centres around the country.

Membership is open to all who are interested in vibrational spectroscopy, particularly infrared and Raman spectroscopies. The 3-year membership fee is £15, with a special rate for students, the unemployed and retired of £3. Members receive full details of the meetings.

From January 2006 the IRDG will use e-mail to communicate with its members. This will be the normal mode of communication, however, we have provided an opt-out. It is IRDG policy that the mailing list will not be made available to any third party and will only be used for IRDG business. Membership details will be stored on a database; to comply with the Data Protection Act you must sign the form in order to agree that we can keep the information. Please complete the lower half of this form and return it with your subscription to the Membership Secretary at the address given below. If you require a receipt, please enclose a stamped addressed envelope. Please remember to notify the Membership Secretary of any change of address.

Name and Title (Professor, Dr, Mr, Ms, Mrs, Miss):.....

Address:.....
.....
.....
.....Post Code:.....

e-mail:.....

If you do NOT wish to receive meeting notices by email check this box.
