
= INFRARED AND RAMAN DISCUSSION GROUP

The 91st meeting of the Group will be held at the Polytechnic of Wales on Wednesday 16th April, 1980.

This will be associated with two-days of practical work for which details are provided on a separate leaflet which is enclosed.

Hostel accommodation on Campus, if required, may be booked on the nights of 15th or 16th April, inclusive of the Course Dinner, bed and breakfast, in association with the two day meeting.

Costs are £5 for the IRDG and £10 per night inclusive.

Please return by Tuesday 1st April, 1980 on the detachable form.
