As a membership organisation, we want to ensure members are kept up to date with IRDG activities (meetings and awards) or activities that are relevant to the IRDG community and we wish to continue to be able to share this information with you as a member of the IRDG. We will not share your data with any external organisation and it will be used only in relation to IRDG. If you do not wish to be contacted by the IRDG or have your contacted details stored as a member or past member or student member then please tick the following box.

Sponsors

The poster session is supported by our sponsors. Their generosity helps the IRDG to continue to support students, early career academics and industrialist establish themselves in the field of infrared and vibrational spectroscopy. The poster session provides a friendly environment for people to network and discuss their science. IRDG are very grateful to our generous sponsors.
